BIO

When people suffer from relationship issues, it's not uncommon for their lives to become burdened and heavy. Harrison Thompson is a passionate therapist and relationship consultant that has mastered the complex art of helping people where they are.

Holding a degree in Psychology, Harrison has been counseling and assisting singles and couples for 7 years in the Bahamas, where he was born. He is widely known for his edgy viral videos on all matters associated with relationships, dating and inspiration. These videos later awarded him a Bahamian Icon award as the People's Choice Icon of the year in 2016.

He has worked with a multitude of government branches, organizations, colleges, universities, churches and corporate businesses alike. He and his beautiful wife, Brittany Thompson love to travel, vlog and celebrate life together.
