
CHAZ GARRAWAY

PROFILE

I am a young, ambitious aviator with 270+ hours of total flight time. I received my single commercial license at the age of 18 with 254 hours and multi commercial license after another 3 weeks of training. I consider myself to be determined and a hard worker. I am eager to fly anything I can get my hands on to add to my total flight time. I am also enrolled in Dalhousie University pursuing a degree in Mechanical engineering.
